

The following is an email sent by the Siddhartha Kadia, the Chief Executive Officer of Berkeley Lights, Inc. (“Berkeley Lights”), to the employees of IsoPlexis Corporation (“IsoPlexis”) on January 4, 2023:

To: IsoPlexis Team
From: Siddhartha Kadia
Subject: Hello from Siddhartha Kadia, Ph.D., CEO of Berkeley Lights

Dear IsoPlexis Team,

On behalf of everyone at Berkeley Lights, I would like to personally reach out to introduce myself and welcome you to the Berkeley Lights team.

For those of you who may not be familiar with Berkeley Lights, we are a life sciences tool company focused on enabling and accelerating the rapid development and commercialization of biotherapeutics and other cell-based products. We are headquartered in Emeryville, California, and like IsoPlexis, we have a performance-based culture and are united in our dedication to changing the course of human health and enabling scientific breakthroughs.

I have tremendous admiration for the work you have been doing at IsoPlexis, pioneering critical technologies and solutions in the proteomics space. Having spent time with members of the IsoPlexis team, I am confident that our combined company will be a strong fit both culturally and strategically, given our highly complementary values and competencies. Together, we will accelerate our progress and become a premier functional cell biology company.

This announcement is just an exciting first step, and we expect the transaction to be completed in the first quarter of 2023. Until then, Berkeley Lights and IsoPlexis will remain independent companies and it is business as usual for both our companies.

Following the close, we look forward to joining forces with the talented IsoPlexis team. I could not be more excited to work with you as part of PhenomeX.

Sincerely,

Siddhartha
